2021-2022 TCSPP Tuition Update

Dear Students:

As is customary this time of year, the new tuition and fees for TCSPP's 2021-2022 academic year are now available [online](#). The Chicago School carefully evaluated the need to cover rising costs in light of the challenges many have had and continue to face during the pandemic. This year's adjustment reflects the efforts taken to strike that balance.

As you plan for your educational expenses in the upcoming year, please remember:

- Financial Aid packages for all currently enrolled students will be adjusted in accordance with the new tuition rates. If you have questions about financial aid planning, please contact the Financial Aid Office by calling the Student Resource Line at (800) 684-2890 or by email at FinAid@thechicagoschool.edu
- If you would like to reserve a specific time to speak with a Financial Aid Advisor, you may schedule an appointment. A deferred payment plan is available to students with employer-sponsored tuition reimbursement plans

As always, our faculty and staff are committed to your academic and professional success and to providing you with the caliber of educational experience that has solidified our position as a premier school for developing professionals in the disciplines we serve. We look forward to the continued opportunity to support you in becoming the professional you seek to be, and I wish you great success in the up-and-coming academic year.

Kind regards,
Michele
