Welcoming Our New Online Campus Dean

Dear Students, Faculty, and Staff,

As Executive Campus Dean, I am excited to share that Dr. Alisha DeWalt will be the new Campus Dean of the Online Campus, starting on August 1, 2022. Dr. DeWalt is an alumnus of The Chicago School and has served in many roles, including her current position as Associate Dean of the Online Campus and Executive Director of TCSPP Global.

Dr. DeWalt brings a wealth of experience with admissions, retention, operations, academic technology, academic quality, and student support. She is passionate about the TCSPP mission to prepare future practitioners in psychology and related behavioral and health sciences.

As is the case with all executive-level hires at The Chicago School, our search for a new Online Campus Dean included a rigorous national search process that resulted in a diverse and competitive pool of applicants. We also used an inclusive interview process, with representatives from the Online Campus community, Admissions, and the Executive Cabinet.

Within this search process, I would like to extend a special thanks to our search committee members: Susan Flynn, Kelly Torres, Astrin Whitfield, Sarah Lamkin, and Cristina Shade. I would also like to thank Dr. Bill Brown for his support as he continues to serve as Campus Dean until August 1.

In closing, please join me in congratulating Dr. DeWalt. In the meantime, please do not hesitate to contact me with questions.

Best,

Dr. Margie Martyn
TCSPP Executive Dean and Chicago Campus Dean
