

We are very excited to hear you will be joining us at TCSP!

There are many options available for rentals around the university and what you choose will be dependent on your housing budget. Rent can be very expensive, but the transit though in the city is great and it makes getting to campus easy if you choose to live a little farther away.

Please keep in mind that the listed sites let you view multiple locations at once. Anyone can post on here though with minimal regulations, so it is important to remember to do your own research into the landlord before signing a lease or handing over any money or checks.

Here are a few options for you to look at regarding accommodations.

With any rental it is important that before you sign a lease or hand over any money/checks that you meet with the landlord (if possible) and conduct research into the company. Students have been victims of scams in the past, so it is important to conduct your own research into the rental company/individual.
