

STUDENT COMPLAINT INTAKE FORM

TCSP is committed to mutual respect and the effective resolution of student complaints through an efficient and fair procedure. When informal resolution of a student complaint is not possible, a formal complaint resolution procedure is available pursuant to these requirements:

- Issues Eligible for Review: Issues eligible for review include the implementation of policies and procedures, and issues concerning transcripts, financial aid, classroom issues, course scheduling, personal hardship matters, student accounts, military benefits matters, access accommodation-related matters, and advising.
- Issues Ineligible for Review: Issues ineligible for review include the substance of any duly adopted policy or procedure, the substance that forms the basis for student performance evaluation, academic performance, grade appeals, transfer credits, course content, decisions regarding a student's academic status (including SAP), content or quality of services that do not arise from a specific act or incident and/or where a student cannot show disadvantage or unfair treatment; comments about the general content or provision of a course or program, and general allegations of misconduct or inappropriate behavior by students.

A student who believes they have been subject to unlawful discrimination or harassment whether by a faculty member, employee, supervisor, visitor, or other student, should direct their concern to the appropriate school official as articulated in the Anti-Discrimination, Anti-Harassment, and Title IX Policy.
