MISSION STATEMENT

The School Psychology Student Organization (SPSO) is the official School Psychology student board of the Chicago School of Professional Psychology, Chicago Campus (TCSPP-C). SPSO continues to represent the School Psychology program and student body. SPSO is committed to providing opportunities for students to engage, learn, and lead within the program. SPSO recognizes students' needs outside of the academic environment. Our purpose is to create a community for school psychology students to feel welcomed and supported. SPSO does not discriminate based on age, gender, sex, sexual orientation, race, ethnicity, nationality, religion, or disability.
